**CTS-V Sedan Standard Equipment\*\***

**Interior**

- 20-way performance driver and front passenger seats
  - Provide exceptional comfort and support
  - Includes driver and front passenger power-adjustable seat back bolster and manual cushion length adjustment
- Leather seat trim
  - With sueded microfiber inserts and seatbacks
- 8-way power driver and front passenger seat adjusters
  - Includes fore/aft, up/down, cushion tilt and recline
  - Also includes 4-way power lumbar support and 4-way adjustable head restraints
- Driver seat adjusters
  - Manual cushion length adjuster
  - Power side bolster adjuster
  - RECARO® performance seats do not include manual thigh support
- Front passenger seat adjusters
  - Manual cushion length adjuster
  - Power side bolster adjuster
  - RECARO® performance seats do not include manual thigh support
- Heated front seats
  - Three levels of heat are available to warm the seat cushion and back
  - Press the heated seat button once for the highest setting
  - With each press of the button, the seat will change to the next lower setting, and then to the off setting
- Ventilated front seat cushion and seat back
  - Separate buttons on the climate control panel allow you to choose from 3 levels
  - Airflow from the ventilated seats helps keep you feeling fresh, relaxed and alert
  - RECARO® performance seats do not include ventilation
- Rear seat with fixed seatback and lockable rear pass-through access door
  - Use the pass-through door for storing longer items
  - Includes fold-down armrest with storage and cup holders
  - The locking feature helps secure your trunk when you are not using the door
- Console, front floor with armrest and covered storage
- Front center armrest
- Rear center armrest
  - With cupholders
- Cupholders
  - 2 in front console
  - 2 in rear armrest
- Power outlets
  - 2 auxiliary
- Front and rear carpeted floor mats
  - Helps protect your interior from road debris and the elements
  - Engineered to fit your vehicle perfectly
- Illuminated sill plates
  - Front
  - V-Series badging
- Power tilt and telescopic steering column
  - Adjust the angle and reach of the wheel to suit your comfort and safety
  - Use the driver memory to save and recall memory settings
- Leather-wrapped Sport steering wheel
  - Soft, leather trim adds comfort to your drive
  - Includes wheel-mounted controls
- Automatic heated steering wheel
  - When the vehicle is on, the automatic heated steering wheel will turn on when the automatic front heated seat is activated required by the vehicle's interior temperature

- Paddle Shift Controls
  - Magnesium
  - Controls mounted on the steering wheel allow drivers to tap through the gears for refined acceleration and deceleration
  - Provide automatic transmission convenience with the feel of manual transmission control
- Sport alloy pedals
  - Designed to enhance the interior appearance of your CTS-V
- Head-Up Display
  - Projects vehicle information onto the windshield just below the driver's line of sight to help keep your eyes on the road
  - Can select which information to show, as well as adjust the vertical position and brightness of the display
- 12.3" color diagonal Driver Information Center
  - Provides key vehicle information, such as average vehicle speed, fuel range, average fuel economy, tire pressure, oil life, trip odometer and warnings
  - Replaces traditional analog gauges with high definition, fully reconfigurable cluster layouts
  - Three persona's allow the driver to select the desired amount of vehicle and other information to be displayed
  - Choose from 3 different themes: Enhanced, Balanced and V Performance
- Power windows
  - One-touch Express-Up/Down for all windows
  - Lockout feature for the rear window controls can be activated by a button on the driver door
- Power door locks
  - Programmable
  - Allow you to lock and unlock all doors easily, whether it's from the driver or front passenger seat or from outside using the key fob
  - Lockout protection helps you avoid locking keys in the vehicle
- Remote Keyless Entry
  - Allows you to lock and unlock doors of the vehicle with the key fob
  - With the key fob in close proximity, simply lock or unlock your vehicle by pressing the button on any door handle
  - Select your preferences within the Driver Information Center menu to have the driver's door or all doors unlock at the touch of a button
  - Includes remote start, panic alarm and delayed charging override functions
  - Includes panic alarm button
- Keyless Access with push-button start
  - Open your door and start your vehicle while keeping your key fob in your pocket or purse
  - System uses a transmitter that responds within the vehicle
  - Set the system to automatically lock your doors as you walk away
- Remote Start
  - Start your vehicle remotely and step into a comfortably warmed or cooled vehicle, depending on the weather and your preset preferences
  - Locks doors and turns on parking lamps while the engine is running
  - If equipped, and under certain weather conditions, the heated seats and steering wheel will be activated
- Universal Home Remote
  - 3-channel programmable
  - Program each of its 3 buttons for a different radio-controlled device
  - Open a garage door, turn on lighting, activate a home security system or open your community's automated gates
- Cruise control, electronic with set and resume speed, and with 1 mph and 5 mph increment adjustment
- Trunk release, power
- Theft-deterrent system
  - Helps deter unauthorized entry, helping to protect your vehicle and its contents
  - Immobilizes the engine to help prevent theft
- Dual-zone automatic climate control
  - Automatically maintains the selected temperature for both the driver and front passenger
  - Can individually set the control to the temperature which is most comfortable
- Air filtration system
  - Helps reduce certain particles in the air
- Rear window defogger
  - Helps to keep your rear view clear
  - Utilizes a warming grid to remove fog or frost from the rear window
- Glovebox
  - Lockable
- Headliner, sueded microfiber
- Inside rearview auto-dimming mirror
  - Automatically adjusts the inside rearview mirror when it senses bright light from behind
  - When headlamp glare is no longer detected, the mirror returns to its normal state
- Overhead console
  - Keep valuables and smaller items secure
  - Includes reading lamps and other controls, if equipped
- Visors, driver and front passenger illuminated vanity mirrors, covered
- Interior lighting
  - Theater dimming and delayed entry/exit lighting as you enter or leave the vehicle
  - Dual reading lights and rear courtesy lights
  - Illuminated entry and exit feature
  - Front cup holders
  - Overhead console
  - Cargo area
- LED lighting
  - Lighting on instrument panel and doors
- Cargo convenience trunk net
  - Keeps cargo from shifting while you drive
  - Protects both your trunk's interior and your cargo from potential damage
  - Easy to remove and store when not needed

## Mechanical

- 6.2L supercharged V8 engine
  - 640 hp and 630 lb-ft of torque
  - Direct-Injection
  - Continuously Variable-Valve Timing technology and Active Fuel Management®
- 8-speed automatic transmission
  - Paired with 6.2L V8 supercharged engine
  - Magnesium paddle shifters provide manual control
  - Performance Algorithm Shifting (PAS) automatically selects the correct gear to provide smoother, faster shifts
  - 2.85 final drive axle ratio
- Keyless Open and Start
  - Locks and unlocks your vehicle's doors without having to use a key or push a button
  - Keep your keys in your purse or pocket to start your vehicle
  - Once you're inside with your foot on the brake, your vehicle starts with the push of a button
  - Press the button again to shut the vehicle off
- Hill Start Assist
  - When you are stopped on an incline, this feature keeps the brakes engaged for a split second as you transition from brake pedal to gas pedal
  - Automatically releases once you press down on the accelerator
- Electronic Limited Slip Differential (eLSD)
  - Uses vehicle sensors and driver inputs to determine the optimum amount of engagement for driving conditions
  - Optimizes torque split between the rear wheels that provides a precise steering feel, enhanced stability and maximum traction through corners
- Performance Traction Management
  - Integrates Traction Control, StabiliTrak®, Magnetic Ride Control™ and electronic Limited Slip Differential (eLSD) systems to provide competition-spec traction and stability controls

- Automatically activated through Track Drive mode and includes 5 control modes specifically designed for track driving: Wet, Dry, Sport 1, Sport 2 and Race
- 2.85 rear axle ratio
- Rear wheel drive
- Extra capacity cooling system
  - Helps keep operating temperatures in check
  - Maintains optimal performance
  - Come factory-equipped with cooling needed for track performance
- Battery rundown protection
  - Turns off any interior lamp that is left on after the ignition is turned off to prevent draining the battery
- Front or rear recovery hook
  - Installed at either the front or rear of vehicle
  - Assists in moving your stuck vehicle to a place where you can continue driving
- Magnetic Ride Control™
  - Monitors each wheel independently during your drive, adjusting vertical suspension every millisecond to maintain a smooth ride
  - Enhanced ride and handling in a variety of road surface conditions
- Suspension, Performance
- Power steering
  - Electronic, variable-assist forward rack-mounted ZF steering gear provides precise feel with the perfect amount of effort
- Front and rear Brembo® performance brakes
  - Help reduce wheel lockup and maintain steering control during hard braking on most slippery surfaces
  - Brake system features a corrosion-fighting process called "Ferritic Nitro Carburizing" which can double rotor life expectancy and reduce or minimize rust
  - 6-piston front and 4-piston rear Brembo® brakes deliver confident, precise stopping power
- Gray Brembo® brake calipers
  - Standard six-piston front brake calipers and four-piston rear brake calipers add a customized appearance
- Performance brake linings
  - Designed to handle the heat and resist brake fade
  - Intended for track day use
- Electronic parking brake
  - Takes the place of the manual foot actuated parking brake
  - Activated by the simple touch of a button and can be operated even when the ignition is turned off
- Quad-outlet exhaust with bright tips
  - Unmistakable look of a Cadillac
- Locking fuel door
  - Automatically locks when the doors are locked preventing unauthorized access to vehicle's fuel tank (or prevent tampering)

## Entertainment

- Cadillac user experience with embedded navigation
  - Cadillac user experience is as responsive as the vehicle. The system places access to your contacts, music and navigation with available real-time traffic alerts at your fingertips. Includes Collection, the system lets you download new applications. Connectivity extends to passengers through available built-in Cadillac 4G LTE Wi-Fi® hotspot, supporting up to 7 mobile devices
  - Bose® 13-speaker Centerpoint® Surround Sound audio system
  - Teen Driver
  - Phone Integration for Apple CarPlay™ and Android Auto™
  - 3 USB ports and auxiliary input jack for connecting portable media devices
- Bose® Centerpoint® Surround Sound 13-speaker sound system
  - Bose® Active Noise Cancellation reduces unwanted low frequencies created by engine, transmission and other powertrain components for a quieter in-cabin experience
- SiriusXM® Satellite Radio
  - Welcome to the world of SiriusXM®. Enjoy your 3-month trial subscription to the All Access package with over 150 channels including commercial-free music, plus sports, news and entertainment
  - Plus, listen on the app and online - it's included with All Access, so you'll hear the best SiriusXM® has to offer, anywhere life takes you
- Bluetooth®
  - Pair Bluetooth® with your mobile phone to the Cadillac user experience system
  - Place and receive hands-free phone calls
  - Store your phone's contact list in the system to place an outgoing call quickly using the touch-screen display or voice command system
  - With streaming audio capability, you can listen to files stored on your phone or digital media device
- Wireless Charging
  - Wireless Charging uses induction technology for portable electronic devices
- Cadillac built-in 4G LTE Wi-Fi® hotspot
  - A strong connection to the Internet for up to 7 devices
  - Includes Data Trial for 3 months or 3GB (whichever comes first)
- Antenna, integral front and rear

## Package

- Memory Package
  - The system recalls the driver's "presets," including power driver seat, outside mirrors position and power steering column
  - Recall settings for 2 drivers
  - Memory/exit positions can be programmed to be recalled automatically when the ignition is turned On/Off (for exit recall, the driver's door must be opened)

## Safety-Interior

- Air bag system
  - Front air bags work with the safety belt system to help reduce the risk of injury to the driver and right-front passenger if involved in a moderate to severe frontal impact
  - Knee air bags work with the safety belt system to help reduce the risk of injury if involved in a moderate to severe frontal impact
  - Seat-mounted side-impact air bags for front and rear outboard seating positions deploy from the seats and help provide additional protection when your vehicle is struck from the side
- Passenger Sensing System
  - Automatically switches the front passenger seat frontal air bag on or off
  - Senses children and small-stature adults in the front seat
  - Suppresses air bag deployment when appropriate
- OnStar®
  - OnStar® and Cadillac Connected Services capable; receive limited Cadillac Connected Services and 1 year of OnStar Safety & Security Coverage, plus 3GB/3 months of data, whichever comes first. See your dealer for details
- Cadillac Connected Access with 10 years of standard connectivity
  - Enables select services such as Vehicle Diagnostics and Dealer Maintenance Notifications and more
- Rear Vision Camera
  - When in Reverse, provides the driver a view of the scene directly behind the vehicle on the Cadillac user experience screen to help the driver park and avoid crashing into nearby objects during low-speed maneuvering
- Lane Keep Assist with Lane Departure Warning
  - Provides gentle steering wheel turns (and Lane Departure Warning alerts if necessary) to help drivers avoid crashes due to unintentionally drifting out of their lane when they are not actively steering and their turn signal is not activated
- Following Distance Indicator
  - Provides driver with the following (or headway) time to a detected vehicle that the driver is following to let them know if he or she is following the vehicle too closely
- Forward Collision Alert

- If the system detects that a front-end collision situation is imminent while following a detected vehicle, the system alerts the driver to a potential crash
- It also alerts the driver if the driver is following a detected vehicle much too closely
- Lane Change Alert with Side Blind Zone Alert
  - Provides side-mirror alerts to help the driver avoid crashing into a moving vehicle detected in their side blind spot (or zone)
  - Also helps detect a vehicle that is rapidly approaching their side blind spot during a lane-change maneuver
- Rear Cross Traffic Alert
  - When in Reverse, provides alerts to help drivers avoid crashing into approaching detected left- or right-cross traffic (e.g., out of a crowded parking space or driveway with side obstructions)
- Teen Driver
  - This configurable feature lets you activate customizable vehicle settings associated with a key fob to help encourage safe driving behavior
  - It can limit certain vehicle features, and automatically turns on certain safety systems if vehicle is equipped
  - An in-vehicle report card gives you information on your teen's driving habits and helps you to continue to coach your new driver
- Safety belts, 3-point, driver and right-front passenger
- Safety belts, 3-point, rear, all seating positions
- Automatic Safety Belt Tightening
  - Automatically activates during emergency braking and/or sudden driving maneuvers
  - Releases when driving conditions return to normal
- Child seat restraint system
  - Safety of your youngest passengers
  - Helps make it easier to install and secure a compatible child restraint seat
- Door locks, rear child security
- Tire Pressure Monitoring System
  - Monitors the pressure in each tire and alerts you if there is a low-pressure condition in one or more of the tires
  - Properly inflate tires to help optimize your vehicle's ride, handling and efficiency

### Safety-Mechanical

- Electronic traction control
  - Helps maintain traction when accelerating on slippery road conditions
  - Automatically applies brake pressure to appropriate wheels and/or reduces engine power when wheel slippage is detected
- StabiliTrak<sup>®</sup> electronic stability control system
  - Automatically helps enhance control, particularly during emergency maneuvers, by adjusting the brakes and engine torque to keep you on your intended path

### Exterior

- 19" forged premium painted alloy wheels with summer-only, low profile tires
  - Paired with Michelin<sup>®</sup> Pilot<sup>®</sup> Super Sport tires
- 19" Michelin<sup>®</sup> Pilot<sup>®</sup> Super Sport summer-only, low profile tires
  - P265/35R19 front and P295/30ZR19 rear
- Tire inflator kit
  - Includes sealant and a compressor
  - Seals a puncture in the tread temporarily up to 1/4"
  - Inflates flat or underinflated tire
- High Intensity Discharge (HID) headlamps
  - Help improve down-the-road visibility in low-light conditions
  - Adaptive Forward Lighting swivels as the vehicle turns, helping illuminate curves so you can see what lies ahead
- IntelliBeam<sup>®</sup>
  - Automatically dims vehicle headlamps that are in high beam mode when oncoming traffic is detected
- Lamp marker, reflex, front side
- Tail lamps, LED illumination
- CHMSL (Center High-Mounted Stop Lamp)
  - Alerts drivers behind you that you've applied the brake, so even when they cannot see your taillamps they are aware you are slowing or stopping
- Outside heated, power-adjustable, body-color mirrors
  - Driver-side auto-dimming
  - Manual-folding feature
  - Integrated turn signal indicators
- Curb View Camera
  - When in Forward gear during low-speed maneuvering (e.g., parking), this system provides the driver a view of the scene immediately ahead of the vehicle on the vehicle's center stack display to help the driver avoid low-speed collisions into nearby objects, such as curbs, poles, and parked vehicles
- Glass, windshield, solar absorbing
- Glass, acoustic, laminated, front doors
- Rainsense<sup>™</sup> automatic wipers
  - Turn on automatically when sensors detect moisture on the windshield
  - The intermittent feature adjusts the speed of the wipers to help keep the windshield clear in a variety of conditions
- Illuminated door handles
  - Features a subtle LED accent light that illuminates the surrounding chrome
  - Gives a distinctive, sophisticated appearance
- Automatic Parking Assist
  - Helps the driver parallel and perpendicular park by automatically steering the vehicle into a detected parking space while the driver follows text commands, selects gear, and does all braking and acceleration

### Safety-Exterior

- Daytime Running Lamps
  - Illuminated when your vehicle is running and the headlamps are off
  - Makes your vehicle more visible to oncoming traffic
  - Can help reduce the risk of collision

### Warranty

- Basic: 4 Years/50,000 Miles
- Corrosion: 4 Years/50,000 Miles Rust-Through 6 Years/Unlimited Miles
- Drivetrain: 6 Years/70,000 Miles
- Maintenance: 3 Years/36,000 Miles
- Roadside Assistance: 6 Years/70,000 Miles

While every effort is made to assure this information to be accurate, variations in the manufacturing process, dealer installed accessories and mileage figures may cause this window sticker display to vary from that on the vehicle. Check with your dealer for complete information.
